GUIDANCE: Spray evenly on clean, damp hair prior to styling. On dry hair, section hair and spray on prior to using hot tools.

TIP: Use on hair extensions to help blend more evenly or to prep hair before coloring or cutting.

What makes this formula special?

- Cottonseed Oil – Strengthens to help create smoother, shinier hair.
- Avocado Oil – Deep conditioning properties add moisture, strength and shine – especially helpful for dry, brittle hair. Its vitamins, amino acids, and high fat content help promote healthy cell growth and are great for maintaining and restoring scalp health (dry, itchy scalp).
- Apricot Kernel Oil – Conditions and soothes cuticle to control flyaways and add shine.
- Chamomile: Soothes the scalp. Has been found to be useful in preventing and eliminating dandruff.
